

GATE CITY BAR ASSOCIATION

Justice Robert Benham Law Camp

Application

2022

Established in 1948, the **Gate City Bar Association** is the oldest African American Bar Association in the State of Georgia. The Gate City Bar Association was organized by ten African American lawyers to provide the educational, social, and community involvement of a professional association for African American lawyers who had been excluded from participating in the segregated bar associations in Atlanta and throughout the State. The mission of the Gate City Bar Association is to create in the community a practical appreciation for the legal profession; to encourage persons of outstanding promise to attend first rate law schools and return to the communities that need their services most; to oppose arbitrary and capricious laws in our state with all the force and fiber of which we are capable as an organization; to uphold and extend the principles of justice in every phase of American life to the end that no one shall be discriminated against because of color, race, religious beliefs, or national origin.

**Gate City Bar Association's
Justice Robert Benham Law Camp
Hosted by the Georgia State University College of Law**

The Gate City Bar Association's Justice Robert Benham Law Camp will be held in person.

The camp is a three-week summer program designed to expose minority high school students in the Atlanta area to the field of law. During the first two weeks of classroom sessions, students will be provided instruction on the basics of critical thinking and exposure to minority lawyers and judges in various areas of law. Students will also be given an opportunity to tour various legal institutions such as the state and superior courts and the Georgia Supreme Court and Georgia Court of Appeals.

During the internship phase, the third and final week of the program, students will be given an opportunity to work in legal environments throughout metro-Atlanta with various firms, judicial entities, and corporations.

Selected candidates have no fees or expenses associated with the Law Camp. However, parent(s)/guardian(s) are responsible for transporting students to and from the law camp and internships each day. Commuting expenses will not be reimbursed.

Georgia State University's College of Law partners with the Gate City Bar Association and provide support to this unique summer opportunity.
