

THE GATE CITY FOUNDATION, INC.

SCHOLARSHIP APPLICATION INFORMATION PACKET

Established in 1948, the Gate City Bar Association is the oldest African-American Bar Association in the state of Georgia. It was organized by ten African-American lawyers to provide the educational, social and community involvement of a professional association for African-American lawyers, who had been excluded from participating in the segregated bar associations in Atlanta and throughout the state. The mission of the Gate City Bar Association is to create in the community a practical appreciation for the legal profession; to encourage persons of outstanding promise to attend first rate law schools and return to the communities that need their services most; to oppose arbitrary and capricious laws in our state with all the force and fiber of which we are capable as an organization; and to uphold and extend the principles of justice in every phase of American life to the end that no one shall be discriminated against because of color, race, religious beliefs or national origin.

Gate City Foundation, Inc., scholarships are awarded annually to minority law students, in good standing, who are either currently enrolled in a Georgia law school, or who are Georgia residents enrolled in an out-of-state law school.

Candidates for a Gate City Foundation, Inc. scholarship are analyzed through a two-tier process including an application and associated documentation, as well as a rigorous interview.
